Dear friend,

Can you imagine how much food you would need to cook a meal for 1,000 children? Now imagine being able to provide a healthy, nutritious meal for 1,000 malnourished children – over 100 times.

Blessing the Children has been given the amazing opportunity to partner with Kids Against Hunger to ship and distribute a 20' container packed with 142,560 meals to Ethiopia.

Blessing the Children has a child sponsorship program, currently supporting 154 children. While we do what we can to support these children, there are so many more children in Debre Zeyit and the surrounding villages that are not receiving support. The need is endless.

With these Kids Against Hunger meals, we will be able to provide a lifesaving blessing to the poor and malnourished children and families in the Debre Zeyit community and surrounding villages who we are unable to reach with the sponsorship program.

Providing these meals will not only nourish them physically, but will also give us the opportunity to reach out to them emotionally and spiritually as well by sharing the love of God.

The specially formulated Kids Against Hunger meals contain fortified soy protein, dehydrated vegetables, rice and vitamins and minerals. Although the meals are chicken-flavored, they are actually vegan and have a shelf life of up to 3 years. The container has been fully packaged by the Kids Against Hunger satellite in Monmouth, IL and is ready to go!

*A world-wide outreach blessing needy children.*

Now we need your help. In order to get this container to Ethiopia, we need to fundraise the cost of shipping to send it over. The total amount needed to cover the cost of shipping is \$7,400. To date we have received \$500 towards this need, leaving a remaining balance of \$6,900.

Mark and Jennifer, would you consider making a donation to help bless the poor, malnourished children and families of Ethiopia? Perhaps you know someone you could share this need with?

I pray God's richest blessings on you Mark and Jennifer, and your family,

**Keith V. Strawn** | President/Founder  
Blessing the Children

PS: *We are still in need of \$6,900 to cover the cost of shipping for the Kids Against Hunger food container.* If you would like to make a donation or have any questions, please contact our Program Director, Melissa at [Melissa@BlessingtheChildren.org](mailto:Melissa@BlessingtheChildren.org) or via phone at (888) 269-2719.
