

MISSION TRIPS

ETHIOPIA, AFRICA

**IMPACT YOUR LIFE,
WHILE IMPACTING OTHER'S LIVES
AND YOU WILL NEVER BE THE SAME!**

*Life-Changing
Experience*

You go to impact the lives of those less fortunate, but as many before you – you will find the impact in your own life to be just as great as the lives you touch. You'll return different, broadened, stronger and with a renewed purpose and perspective in life.

Traveling to a third-world country is no picnic, but there's little that compares with the rewarding experience of a mission trip. Your rich memories of the people, children, and culture will be with you for the rest of your life. Don't miss this opportunity to minister from your heart in a uniquely personal way.

Partnering with Blessing the Children International (BCI) and the local churches in Ethiopia, you will be afforded many opportunities to minister using your personal strengths and gifting, including:

Children & Youth Ministry
Sports Ministry
Vacation Bible School
School Ministry

Service Projects
Medical / Dental Care
Construction
Ministry of Helps

Church Ministries
Prayer Ministry
Evangelism
Adult Ministry

God's not looking for capable hands, He's looking for available ones.

If you are willing and able to go and serve, God will use you. If you don't know your ministry gifts, or think you don't have much to offer, come and discover all of the ways you can make a difference in the lives of others. Your very presence is a gift; you may never know the full impact you are having in people's lives until you get to heaven, but your life will be transformed in the process. No matter who you are, no matter what your gifting or abilities, you can make a difference!

BCI staff will be with you every step of the way. Experienced with the culture, we will serve as your guides – working with you to make your trip rewarding, fruitful and fulfilling. Since English is taught and spoken at the school, churches and guest houses, you'll feel right at home and we have translators who will accompany you in the community.

There are hundreds of third-world countries you could choose to serve. Ethiopia has a unique culture and it is one of the two poorest countries in all of Africa. The greater the poverty, the greater your impact.

Without a doubt, you will return more grateful than ever for America, for your own Christian heritage, and for the life-changing adventure you had because you heard and answered the call.

Our mission at Blessing the Children International is to ensure that you and your team have a successful mission trip. Your team will work closely with a local church in Ethiopia, where you will form lasting one-on-one relationships, both socially and spiritually. And if your team returns for future trips, you will be able to continue developing these relationships and see God work through you in their lives.
